Bountiful, lusty, mouthwatering herb-based hors d'oeuvres donated by four of Seattle's top caterers were the highlight of the MGFKC Plant Sale Preview Party, April 30, 2010. Wine, (partially sponsored by Chateau Ste Michelle), Mediterranean spreads, cheeses, and fabulous mini-cupcakes from Sugar Rush Bakery were also enjoyed by hundreds. On behalf of all the Master Gardeners, we want to thank our caterers and Chateau Ste Michelle for their assistance in making this year's plant sale a huge success. Because of their wonderful presentation, excellent food and wine, and all-around help, this event has become the "must attend" event for our supporters and largest fund raiser. This year selling tickets has never been so easy and shopping the

pre-sale event never been so fun.

Winner of the coveted "Golden Brussels Sprout" Award by popular but very close

vote was **Benjamin Jablonsky, owner of Pyramid Catering**. Presenting the award was Ciscoe Morris, local TV/radio garden guru, and Peggy Verger, MGFKC decorating diva.

Winner of the MFGKC Hors d'oeuvres Challenge, Chef Jablonsky, Pyramid Catering, humbly accepts the "Golden Brussels Sprout" Award from TV personality and MG Ciscoe Morris.
