

April 3, 2020

Subject: Webinar for Community Gardens amid COVID-19

To: Master Gardeners and Interns of King County,

This free webinar comes to us from the University of Idaho Extension. It will be held live on Monday, April 6 at 11AM pacific time and also will be recorded and posted on their website.

This is particularly relevant for anyone participating in the maintenance of our food bank gardens this season.

=====

Free Webinar:
Best Practices for Community Gardens During COVID-19

Monday, April 6 | 11 am PST / 12 pm MST | FREE

This webinar will focus on best practices for keeping produce safe and preventing spread of Sars-CoV-2, the virus that causes COVID-19, in community garden environments. We will discuss policies that should be put into place, cleaning and sanitization practices, and health and hygiene.

Presenter: Stephanie Smith, Consumer Food Safety Specialist, Washington State University Extension

Moderator: Colette DePhelps, Community Food Systems Area Educator, University of Idaho Extension

Register here:

https://uidaho.zoom.us/webinar/register/WN_-7HYRoCISrulb10b3hzR8w

To view the full webinar schedule: <https://www.cultivatinguccess.org/webinar-series>

If you have any questions about the webinar or difficulty registering, please contact me! We will be recording the webinar and posting the recording to the Cultivating Success™ website for those who cannot attend live.

Be well!

Colette
