BDG Workshop - Safe and Healthy Edible Gardening

The **February 20, 2021**, workshop will be presented by **Laura Matter** who will speak about **Safe and Healthy Edible Gardening**. Laura is the Garden Hotline Manager at Seattle Tilth. She specializes in watershed health, pollinator gardening and integrated pest management education. For 14 years, Laura ran her own landscape maintenance business, and she currently provides landscape consultations, specializing in native plantings, wildlife habitat and edible gardens. She is the senior garden advisor of the Picardo Farm P-Patch where she has gardened for 20 years.

Laura has recommended the following links as resources for her talk:

Growing Healthy Soil [Seattle Public Utilities]
